2. All arrangements were accomplished by [REDACTED] to accommodate a DIS request for quota to attend the JIB course. Quota, hotel accommodations, office address, and person to contact upon arrival were transmitted by me to [REDACTED] attending for the three-week period from 1 - 19 November.

3. OCR participants were first-rate as they aided the would-be analysts from the Civilian course to understand the various bits and pieces of library, machine, documents, and biographic support.

B { 4. During the past week I was engaged in several assists to Agency reservists seeking DIA speakers or materials. Incidentally, DIS has now authority to call for any qualified reservist who can assist the school. By a simple procedure worked out with DIA, a named individual may obtain two-weeks active duty in support of DIS from Army, Navy, Air Force, or Marine sources. This new arrangement may prove attractive to some OTR reservists at Headquarters [REDACTED] who have not been able to obtain any active-duty tour.

5. During leave this week, I'll be in Canada--encircling Lake Ontario--and in upstate New York.
